Dear Mums, Dads, Carers and Community Colleagues

We may be in the final week of January, but I hope we are in time to wish you:

Happy New Year! ☆

2019 is certainly happy here and with the Spring Term well underway, it is very much business as usual in all our schools.

We have received lots of good feedback about the bulletin and are glad that you are finding the communication helpful as we are keen to keep in contact and look ahead to key dates in your child's school (s). As part of our pilot, we have decided to run the bulletin **twice termly**; which will inevitably mean more dates to be published at once and we are confident it will still serve a positive purpose.

Do also check out our news stories on the website and on social media as we celebrate our students.

We will soon be halfway through this school year (around the week commencing 11/2/19) and we are proud of what we have to show so far and as you can see to look forward to for the remaining three weeks of this Spring Half Term.

Onwards we go and thank you for all your support!

From Executive Headteacher Gavin Ball and all the staff in the Wessex Learning Trust ☆
