Dear Mums, Dads, Carers and Community Colleagues

It is heartening to see all the activities in our schools for the final three weeks of this Spring Term, providing our pupils with an exciting, enjoyable and happy education, both in and beyond the classroom.

The end of this Spring Term will mark two thirds of the way through the school year, with good routines established, and it is pleasing to see our children participating in and benefitting from their learning and enrichment opportunities.

As per the education cycle, the exams season will soon be upon us for our Upper School children in Years 11 and 13 and, of course, Key Stages 1 and 2

pupils will be sitting the SAT's. I appreciate this important time may be tense for some children; but I know that our staff will be doing everything they can to ensure our pupils - whatever their stage - are encouraged and supported and feel confident and ready to rise to the challenge for this educational assessment milestone. Good luck to our pupils! Do your very best! We wish successful outcomes for you.

The days are getting longer and at the end of this month we will be moving the clocks forward to British Summer Time. May this bring some early springtime joy to everyone. Indeed, as we approach Eastertime, I know this will provide opportunity to reflect on this time of renewal and hope with the arrival of spring and like me, may you all enjoy the beauty of nature re-awakening. I also expect chocolate Easter eggs will be on the horizon!

Our best wishes for the continuation of this Spring Half Term and when it arrives, enjoy the Easter holidays with your loved ones.
